

All items must be returned by **6 Oct, 2026**.

Instructions for returning your items to us.

- Securely package the item to avoid damage during return - if possible, please use the original packaging.
- Affix the personalised return mailing label securely to the package, covering up any previous delivery address and barcode without overlapping any adjacent side.
- Affix the appropriate postage to your package.
- Send the parcel from your nearest post office or via the delivery method of your choice. If the value of the items you're returning is more than £20.00, it's recommended that you use a trackable return method.
- When dispatching the parcel, please cover the cost of all export and import tax and duty fees, which can then be claimed back through Customer Service based on receipt.
- To ensure safe transport, the battery must be returned in the product.
